

Fifty Shades of Fun Facts

*Gosh, Jimmy,
you were right!
It IS more fun
than vanilla!*

Did you know?

A whip crack is a mini sonic boom caused by the tip of the whip breaking the sound barrier.

Contrary to urban myth, all handcuff keys do not open all handcuffs.

“BDSM” is a compound abbreviation for “Bondage/Discipline and Dominance/Submission and Sadism/Masochism.”

“Masochism” was named after Leopold von Sacher-Masoch, who was not the least bit happy about it!

It's your game,
you set the rules!
